Long Itchington Parish Council would like to invite its residents to attend the Annual Parish Assembly, formerly known as the Annual Parish Meeting. Sadly, due to COVID-19 restrictions LIPC is unable to host this event in the usual manner, however it is keen that members of the public have the opportunity to be updated on its activities over the last year and its expenditure. This is the opportunity for members of the public to comment on items that have previously been on the agenda or suggest matters for future agendas, as well as asking questions of councillors.

The link to the join the virtual meeting is below, however if you are unable to attend this virtual event then please contact the Parish Clerk in advance of the meeting to submit any comments or questions for LIPC to consider. You are invited to send any questions through in advance even if you intend to take part on the day.
